

Short Biography

After graduating from the Department of Economics, Faculty of Economics, Kyoto University in 1994, I joined Mitsui Fudosan Co., Ltd. After working in property procurement at the Office Building Division and fundraising (including public offering) at the headquarters Finance Group, I was in charge of the Nihonbashi redevelopment projects at the Office Building Division since 2015. I have been the head of the Sustainability Promotion Department since October 2021.
