

Date	Time	Sustainable Built Environment Conference 2025 in Tokyo (SBE25 TOKYO), Venue: Toshi Center Hotel Tokyo								Time
		Reception	Main Room	Poster Session Room	Oral Session Room 1	Oral Session Room 2	Oral Session Room 3	Oral Session Room 4	Networking	
		Lobby (1F)	Cosmos Hall 1 (3F)	Cosmos Hall 2 (3F)	Room 601 (6F)	Room 604 (6F)	Room 605 (6F)	Room 606 (6F)	Orion (5F)	
Wednesday, September 24th	9:00	9:00-18:00 Reception								9:00
	10:00		9:30-11:30 Opening + Keynote Speech	10:00-18:00 Poster Exhibition						10:00
	11:00									11:00
	12:00									12:00
	13:00				12:30-14:10 Oral Session 1 Whole Life Carbon Assessment Tools and Applications	12:30-14:10 Oral Session 2 Comparative Whole - Life Carbon Analyses for Building Performance	12:30-14:10 Oral Session 3 Strategies for Building Energy Optimization and Carbon Reduction	12:30-14:10 Oral Session 4 Sustainable Low Carbon Design and Planning	13:00	
	14:00		13:30-16:00 Special Session 1 ※Simultaneous interpretation available							14:00
	15:00				14:20-16:00 Oral Session 5 Environmental Performance and Assessment	14:20-16:00 Oral Session 6 Innovative Frameworks for LCA and Resource Circularity	14:20-16:00 Oral Session 7 Data - Driven Modeling and Performance Benchmarking for Building Energy	14:20-16:00 Oral Session 8 Resilient Sustainable Design & Planning	15:00	
	16:00		16:00-16:30 Tea Break		16:00-16:30 Tea Break	16:00-16:30 Tea Break	16:00-16:30 Tea Break	16:00		
	17:00				16:30-17:50 Oral Session 9 Emerging Technologies, Innovation, and Future Trends	16:30-17:50 Oral Session 10 Smart Buildings, Smart Cities, and Automation	16:30-17:50 Oral Session 11 Building Physics and Performance Simulation	16:30-17:50 Oral Session 12 Case Studies and Best Practices at the Urban and City Scales	17:00	
	18:00								18:15-19:45 Networking Reception	18:00
	19:00							19:00		
	Thursday, September 25th	9:00	9:00-17:00 Reception							9:00
		10:00		9:30-12:00 Special Session 2 ※Simultaneous interpretation available	10:00-16:30 Poster Exhibition	9:30-10:50 Oral Session 13 Thermal Environment, Comfort Metrics, and Physiological Impacts	9:30-10:50 Oral Session 14 Wellness and Productive Environments	9:30-10:50 Oral Session 15 Occupant Behavior and Lifestyle Changes	9:30-10:50 Oral Session 16 Advanced Ventilation, Insulation & Comfort Systems for Sustainable Buildings	10:00
		11:00								11:00
12:00									12:00	
13:00				12:15-14:15 Poster Session				13:00		
14:00				Poster Exhibition	14:20-15:40 Oral Session 20 Urban Heat, Adaptation Strategies and Human Well-being		14:20-15:40 Oral Session 21 Climate Change Adaptation and Mitigation Strategies	14:20-15:40 Oral Session 22 Regenerative Design & Climate - Adaptive Construction	14:00	
15:00									15:00	
16:00									16:00	
17:00				17:10-17:30 Tea Break					17:00	
18:00				17:30-18:30 Closing Session						18:00
