Following the SBE25Tokyo - International Conference on Sustainable Built Environment 2025 Tokyo, a special chartered bus tour will be held on Friday, September 26, 2025, to visit architectural sites in and around Tokyo. This tour will include visits to facilities designed with sustainability and the achievement of the SDGs in mind—aligning with the conference theme of sustainable architecture and urban development. The tour will be divided into four courses by region: Tokyo, Yokohama, and Tsukuba. At each facility, English interpretation will be provided. We hope you'll take this opportunity to be part of it!
